REMARKS.—The market closes very quietly. Flour unusually dull and quotations nominal in the absence of transactions. Wheat quiet, but this morning was a shade better; offerings very light, with sales of inferior white and red at 23¢ and 24¢; one lot prime red was sold after 'Change hours' at 25¢. Corn remains steady, with small receipts; sales of one lot damaged at 10¢, and several lots fair to good at 10¢, 107 and 108—the bulk at the latter figures. Oats quiet and drooping; sales at 8¢. Rye inactive, with sales at 17¢. Plaster is dull and prices nominal. Salt in limited supply. Wool unchanged. Butter quiet and prices unsettled. Bacon inactive and prices tending downward. Corn Meal quiet, at 110 for City Mills, and 105 for country-ground. Eggs scarce and prices have advanced.

BALTIMORE CATTLE MARKET, June 18, 1868. Beef Cattle.—Prices to-day ranged as follows: Old Cows and Scalawags at 48¢; ordinary Steers, Oxen and Bulls at 50¢; fair quality Beef at 50¢ to 55¢; and the very best Beef at 55¢ to 60¢ per 100 lbs, the average price being about 52¢ to 55¢. The market was moderately active at a decline of 5¢ to 7¢ per 100 lbs on the rates of last week.

Sheep.—The supply has been large during the past week, and the market has ruled very dull at a decline of 75¢ per 100 lbs on the rates of last week. Prices to-day ranged as follows: good to prime live Hogs at 11¢ to 13¢ per 100 pounds net.

Day Goods.—Prices of domestic goods in New York have been falling; but there is a pretty general conviction that there will be a stiffening up before long, and that in cottons the price of the raw material, which is believed to have reached "hard-pan," will cause an advance. There is no material change in prices to note, and the readiness with which large lots of cottons and woolsens are taken when a tempting reduction of rates is made gives evidence of great confidence in the future. The great abundance of money at low rates, of course, is a strong inducement to speculative purchases; but from that cause, there is confidence in a large business in the fall.

LOCAL NEWS.

FRIDAY EVENING, JUNE 19.

JURORS FROM ALEXANDRIA.—In the case of Jeter Phillips, arrested in Richmond, on a charge of murder, Judge Christian refused to grant the prisoner a change of place of trial as requested by his counsel. He, however, ordered twenty-five jurors to be summoned from the county of Albemarle, and the same number from Alexandria. Deputy Sheriff Magruder of Henrico county, is now in this city and will leave to-morrow night in the steamer Vanderbilt, in charge of the twenty-five white freeholders, in obedience to the order of Judge Christian, the summons being made returnable on Monday.

SERIOUS ACCIDENT.—This morning, just before nine o'clock, quite a serious accident occurred to Fitz John Corse, a youth of 15, son of Wilmer D. Corse, esq., in the study hall at St. John's Academy. It appears that he was endeavoring to draw the lead from a small pocket pistol, when it went off, the ball passing through a bone in the middle of the hand. The wound was immediately dressed by Dr. Stabler, and the patient is doing well.

SUNDAY SCHOOL FESTIVAL.—The Sunday School children of the Methodist Episcopal Church are holding a very pleasant and agreeable little festival, in tents, erected on the lot attached to the residence of Mr. J. C. Clark, on St. Asaph street, between Cameron and Queen. The young folks, and those of more mature years, who are nightly in attendance, enjoy the festivities mightily.

CATHOLIC EXCURSION.—The excursion of the Catholic Beneficial Society, to Glymont, yesterday, was very numerous attended, and, peculiarly, was a success. The pleasures of the day were, however, somewhat marred by the disorderly behavior of a few who had drank too much of the poisonous compounds frequently sold under the name of wines and liquors.

SAVING'S BANKS.—The Baltimore Commercial has an article recommending Saving's Banks, as most useful institutions. We had one here in successful operation until the war broke out. We wish it could be revived and once more put in successful operation.—These banks have done much good wherever they have been permanently established.

MASONIC OFFICERS.—At the annual election of officers of Andrew Jackson Lodge, No. 120, of Free Masons, held last night, the following named gentlemen were chosen to serve for the ensuing year: Frank A. Reed, W. M.; Thomas E. Kemp, S. W.; Isaac Lane, J. W.; Charles A. Yohe, Secretary; and G. F. Steiner, Treasurer.

DOGS.—Persons having dogs on which they have paid taxes, had better keep them up—as the canines going at large now, are liable to destruction, by poison, or otherwise. There are hundreds of worthless dogs in the city for which not a dime of tax is paid. Besides, cases of hydrophobia are reported in several of the cities.

HORSE THEIVING.—Again great complaints are made of the frequency and apparent impunity with which horse thefts are committed in the country adjoining this city. Almost nightly some farmer is subjected to the loss of a valuable animal, which, in a large majority of cases, is never heard of again.

B. W. (H. F.) C. A.—Mount Vernon Circle, No. 1, of the Brotherhood of the Union, will make an excursion, on the new steamer, City of Alexandria, to Glymont, on Monday next, the 22d inst. The committee of arrangements promise all those who may feel disposed to accompany them, an agreeable day.

FOR THE PENITENTIARY.—A colored woman, for murdering her child, and a colored boy, for arson, sentenced by the Court of Shenandoah county to imprisonment in the State penitentiary, in charge of the Sheriff of the county in which they were convicted, took the Aquia Creek steamer Vanderbilt, at this city, last night, for Richmond.

FIRE ALARM.—The alarm of fire yesterday evening, about four o'clock, which, however, did not bring out the fire department, was caused by the burning of a framed shanty, in "Petersburg," on Princess street, between Pitt and St. Asaph. The structure was soon pulled down, and the flames extinguished.

FLOWER QUEEN.—As will be seen by reference to an advertisement in another column, the beautiful summer piece, the Flower Queen, so handsomely represented in this city on Tuesday night last, will be reproduced next Monday night, the proceeds to be appropriated to the benefit of the Alexandria Orphan Asylum.

The estate of the late Washington Berry, known as Metropoles View, mentioned in an article in yesterday's Gazette, and which was sold in lots, is near Washington city. The article should have been placed under the head of Washington Items.

PUBLIC BATHING.—Complaint has been lodged at the Mayor's office, by residents of the lower part of the city, of the behaviour of boys and half grown men who publicly bathe from the wharves before sun down.

RECAPTURED.—One of the men who escaped from the jail, at Fairfax court house, on Tuesday morning last, was recaptured on Wednesday night, near Lewinsville, and taken back to his old quarters.

CATERPILLARS are beginning to make their appearance on the trees in some gardens and fields. The locusts do very little injury—some say none—but the caterpillars are always a pest.

HOT WEATHER.—Notwithstanding the fine shower, yesterday, the weather continues hot. The thermometer to-day, in the shade, at this office, stood at 86°.

STURGEON is selling in this market now at 8 cents per lb, which is unusually high, at this season of the year, for this description of fish.

St. John's Day.—June 24th is St. John's Day, generally observed by the Masonic Fraternity.

POLICE REPORT.—Mayor's Office.—Brooks and Frazer, for selling dry goods at auction without license, were fined and discharged.

Alice Boston, colored, on complaint of Lizzie Boston, colored, for disorderly conduct, was dismissed, and costs assessed against complainant.

Sebastian DePosso, for selling pictures without a license, was discharged upon the payment of costs.

MAGISTRATES OFFICE.—C. M. Castleman, former sheriff of this County, arrested by special constable O'Neal, on complaint of Dr. R. H. Stabler, for seizing a box of tobacco valued at \$10 in the complainant's store, because said complainant refused to pay a muster fine, due before the war, was discharged, and the cost, of the case assessed against complainant.

Polly Radford, colored, for threatening to shoot Ann Virginia Woodward, also colored, was held in the sum of \$50 security to keep the peace for three months.

Two young women from Washington, arrested for stealing a watch from a party in that city, were arrested, but discharged on giving up the money they had obtained for the stolen watch from a Washington Pawnbroker, and a promise to reveal the name of the Pawnbroker, so that the watch might be recovered.

Dennis Lynch, arrested and committed to jail, in this city, a day or two ago, on suspicion of being one of the parties who escaped on Tuesday last from the jail at Fairfax court-house, was released, as his identity was not established.

A warrant was issued for the arrest of Patrick Griffin, on complaint of Carson Kase, for shooting a duck belonging to complainant.
